

ABSANZ

## 7th Annual ABSANZ Biosafety and Biocontainment Conference

Sea World Resort and Conference Centre Gold Coast, QLD  
Monday 30 October – Friday 3 November 2017

### *You are invited ...*

The ABSANZ Board, Conference Committee and members invite you to be part of Australasia's foremost meeting of biosafety, biocontainment and biosecurity specialists. For 2017, ABSANZ heads to Sea World Resort's Conference Centre on the Gold Coast, Queensland. Selected for its location, high quality conference centre and affordable range of onsite accommodation options, we are confident that everyone who attends will enjoy a week of learning and networking in the casual environment of this venue. During the conference, delegates will be able to:

- Interact with members of the biosafety community including industry, regulators and researchers
- Partake in a high quality symposium program
- Update your knowledge of the latest advances in this field
- Present your work via oral or poster presentations
- Undertake professional development training
- Tour nearby biocontainment facilities
- Discuss the latest equipment and technologies with our exhibitors.
